Bill Nittler
Box 824
Mancos, CO 81328

Dear Bill,

This letter confirms your reception of our station, KBHW FM in International Falls, MN on May 22, 1995 at 3:13 PM Central Time. The details of your report were very detailed, and it was interesting for us to receive this report.

We operate a Continental 816R-4 Transmitter to an eight bay ERI circular polarized antenna at 540 feet center of radiation. Our Effective Radiated Power is 100 Thousand Watts. The transmitter and tower are located near Loman, Minnesota - about 20 miles west of International Falls, just 1/4 mile south of the Rainy River (which forms the international boundry)

Thank you for your report, and best wishes from the 'Icebox of the Nation'.

Bruce
